# Getting A Feel for A Card's "Essence"

Each Tarot card has a particular vibe, energy or "essence". When you connect to the vibe of a card, it will be much easier to connect it to the other cards later on in the reading.

Step 1: Draw one card from your Tarot deck

Tarot card chosen: \_\_\_\_\_

Step 2: As you look at this card, pretend you are meeting a person for the first time and trying to sense their personality. Notice how you feel in their presence.

This card makes me feel...

---

---

This card's personality is...

---

---

Step 3: Take some more time to feel into this card. Notice the colors, symbols, energy, movement, actions, characters, landscape, emotion and traditional card meaning – all these things contribute to the "vibe" of a card.

The traditional meaning of this card is...

---

The colors that stand out are:

---

The symbol(s) that I notice immediately are:

---

---

The landscape is...

---

---

The character(s) seem very...

---

---

Is there movement or action happening? If so, what?

---

---

If you could sum up the "essence" of this card in just 2-3 words, what would they be?
